• ***“The tea estate is located right in between the majestic hills which makes rock climbing a popular adventure sport.”***

THE HILL LANDSCAPE IS UNDOUBTEDLY A POPULAR ONE AMONG THE TOURISTS AND ADVENTURE ENTHUSIASTS.

❖ MUNNAR **ROCK CLIMBING**

This popularity has given rise to rappelling & rock climbing activities. The sport is performed under the guidance of trained individuals who make sure no casualty is experienced. The individuals are equipped with safety gears to help them perform the activity by feeling safe & secure. Fun Forest Adventure Park is a renowned amusement park, popular for indulging in various adventure activities.

WORLD'S MOST FAMOUS TOURIST DESTINATIONSS

Munnar got its name from its strategic location at the confluence of three rivers – Muthirapuzha, Nallathanni and Kundala Rivers. 'Moonu' means 'three' and 'Aru' means 'river'. The region is placed at a height of around 1,500 m to 2,695 m above sea level and was once the summer capital of the British in South India. Later it was developed for cultivating tea plants.

The beautiful sights of acres and acres of lush green tea plantations will make us realize that we have at last reached Munnar and of course the place is so much known for its tea estates. It always carries the remnants of history of tea cultivation in Kerala. Neelakurinji or Strobilanthus has special status in the tourism map of this fascinating destination. The flower which

blooms once in twelve years attracts lots of tourists from all over the world.

Eravikulam National Park and the Nilgiri Tahr is considered to be the icon of tourism in Munnar. The national park is also famous for its Neelakurinji population. At this place, you can witness the highest peak in South India, Anamudi. A trekking to this peak will no doubt energize you. When you stand yourself on the top of this peak, you will feel that you are standing very close to the sky and very soon you can touch the sky. The lovely Devikulam Lake; Kolukkumalai (the highest tea plantation in the country); the waterfalls like Lakkam, Attukal, Nyayamakad, Chinnakkal, Kuthumkal, Cheeyapara, Valara and Thoovanam; the 'cattle village' or Mattupetty etc makes Munnar the abode of nature

Neelakurinji flowering season that comes only once in 12 years
